FRANKFORT,

PROMINENT LAWYER PASSES AWAY.

Just before 8 o'clock, on Tuesday night, Col. John L. Scott, a prominent and able lawyer, died at his residence, on the corner of Third and Steele streets, in this city, aged 80 years.

Col. Scott was born near Maysville, but spent his earlier years in Ohio, where he learned the trade of a printer and worked at it for a number of years, studying law in the meanwhile.

Returning to Kentucky he located at Maysville and practiced his profession with success. About the year 1856 he was married to Miss Sallie Chiles, daughter of the late Mr. W. Carr Chiles of this city (who was his second wife, his first wife only living a short time), and came here to reside.

He rose rapidly in his profession and was one of the strongest advocates at this bar. In 1862 he was elected Commonwealth's Attorney of this district and served with efficiency and distinction for six years.

Up to about three years ago he was actively engaged in his professional duties. About that time the infirmities of age began to press upon him and, although still of vigorous mind, he was compelled to withdraw, in great measure, from the duties of that profession.

For more than a year he was in poor health, but visited his office

daily until some three weeks since, when he was compelled to take to his bed, and his passing away was looked for at any time.

He was a member of the Christian Church, and the funeral services were conducted by his pastor Rev. George Darsie, from the residence, on Thursday morning at 10 o'clock.

He leaves two sons (Mr. John L. Scott, Jr., and Mr. Walter Scott, of California), and three daughters (Mrs. D. L. Hingo and Misses Minnie and Mamie Scott) to mourn his death.

DRIVES TO DESPERATION.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c, at all drug stores.

AWARDED CERTIFICATE.

The State Board of Election Commissioners, on Monday, awarded the certificate of election to Congress from the 11th Congressional District to Dr. W. Godfrey Hunter, of Cumberland county, and he left that night for Washington City.

Dr. Weaver's Syrup
Purifies the blood; Cures (relieves) the skin.

LAND SALE.

Mrs. Lucy B. Sargeant has sold her farm, of 40 acres, lying on Cedar Run, to Mr. Walter Brightwell, for \$800 cash.

TROOPS WITHDRAWN.

The platoon of militia who have been on duty at Jackson, Breathitt county, for several months, were withdrawn on Tuesday last. Look out for fun in bloody Breathitt again.

THANKS.

Our friend, Mr. Wm. H. Innes has placed us under obligation for an old-time, country spare rib. It was not one of your sand-papered kind, but one to tickle the palate of an epicure. It was fine. Thanks, old friend.

REVENUE COLLECTIONS.

Deputy Collector Grant L. Roberts has collected the following taxes for the month of November: 2,810 barrels; 106,790 2-10 tax gallons; amount tax \$120,736.22.

FAVORITE FAMILY REMEDY.

Frequent accidents occur in the household, which cause burns, cuts, sprains and bruises; for use in such cases, Ballard's Snow Liniment has for many years been the constant favorite family remedy. 25c, 50c and \$1.00 at Paul B. Weltzel's.

AT WORK AT LAST.

After "hope deferred" had almost made the heart sick, the Interurban Electric Railway has at last put a force of hands at work on the repairs of the street railroad and they will be pushed for all it is worth, so that the line will be in operation in the city by the time fixed by the City Council, January 1, 1904.

This will be glad news to all our citizens, but especially to those of Thorn Hill and other suburbs.

CALLED MEETING.

There will be a called meeting of the Directors of the Woman's Club, at their rooms, on St. Clair street, this (Saturday) afternoon, at 3 o'clock. Business of importance and a full meeting desired.

A SCIENTIFIC DISCOVERY.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by J. W. Cagle.

ALMOST COMPLETE.

The remodeling of the First Baptist Church of this city, is almost completed. The interior decoration is being rapidly finished, and it is hoped that the work will be done so that the congregation may re-occupy it the first Sunday in January, 1904.

When complete this will be one of the prettiest and cozier churches in this section of the State.

The total cost of the improvement will be about \$11,000.

The noble, fearless and consecrated young pastor, Rev. M. B. Adams, stands in the front rank of preachers, and is to be congratulated upon this great improvement, which will be a monument to his memory in the years to come.

ATTENTION INVESTERS.

If you are interested in Mining, I have a special proposition to submit to you. Will be in the city about ten days. Call or address L. Rogers, care R. Rogers & Son.

COUGHING SPELL CAUSED DEATH.

Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another coughing spell came on, and Duckwell died from suffocation.—St. Louis Globe-Democrat, Dec. 1, 1931. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasms of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25 cents; regular size, containing nearly four times as much, 75 cents. At all drug sts. 1 yr.

THE STROUSE MEETING CLOSED.

The meeting, held in this city by Rev. Dr. C. V. Strouse, closed on Sunday night last.

Large crowds attended the several services and it is earnestly hoped that much good will result from them. There has been a good deal of gush and exaggeration as to the success of the effort, and the statement has been made that no such wave of religious excitement had ever been seen here before.

While we would not, in any way, lay a feather weight in the way of any movement that has for its object the uplift of humanity and the drawing of men to the service of the Master, we beg respectfully to say that there ought to be no place for exaggeration in such matters.

To those of us who know of the Barnes meetings and the Mills meetings of the past, it will not be out of place to say that the meeting just closed, however much it may have accomplished of good, does not begin to compare with those meetings.

For instance, in the Barnes meetings the attendance was larger by 50 per cent, and the "conversions" numbered some 1,240. The people came from all the surrounding country and compelled the holding of the services in the State House yard.

In the Mills meetings there was a tent erected which seated 2,500 people and it was filled to overflowing at every service. The business houses were largely closed during the hours of service. The number of "conversions" were reported as amounting to about 800 or 1,000.

We are free to confess that good has been done in that the saloons have been almost deserted and their receipts cut to almost nothing; many persons have stated that they will not attend dances and other entertainments of a like character, and some have united with the churches.

It is said that the "conversions" number 600. We hope it is true, but, after our experience with the Barnes and Mills meetings, we must confess that we await the subsidence of the feeling attending this one with grave apprehension. It is not the spasmodic religion that counts, but the steady-going and every day work of the Christian that produces the real result.

Out of all those who professed conversion under Barnes and Mills, but few manifested any disposition to take up the burden and bear the heat of the day. We shall await developments from this meeting with keen anxiety. We hope that the majority at least will unite heart and soul, with the churches and go to good, hard and honest work in the field of the Master.

So far as we are advised but a small fraction of those who "stood up" have manifested any disposition to go any further or to enter a life of devotion to the cause of vital Christianity.

Let us not be deceived in this important matter. Enthusiasm in revivals is all well enough if followed by a godly walk and conversation and earnest work for Him who has done so much for us. But it becomes a mockery and a cause of offense if not so carried out.

God help us all to stand while under fire as well as on dress parade.

WORST OF ALL EXPERIENCES.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, and the result was miraculous. I improved at once and now I am completely cured. I can sleep, eat, drink, and bowels are regular. I feel like a new man. I am only medicine. Only one. It is guaranteed by all druggists."

COMMUNICATED.

Mr. Editor—The members of Evergreen Church wish to call the attention of the law-abiding and Sunday-respecting citizens of this community to the utter disregard of Sunday by certain parties who make it a regular practice every Sunday morning to hunt around the church and elsewhere; and, who keep up a constant firing of their guns to the scandal of the neighborhood and mortification of the members of the church.

Is there no law by which the violators of the sanctity of the Sabbath may be punished?

Please tell us in your next issue. Plenty of law, but lack of enforcement. There is where the trouble lies.—(Editor.)

STARTLING EVIDENCE.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by all druggists. Trial bottles free, regular sizes 50c, and \$1.00.

DELIGHTFUL AFFAIR.

Frankfort Tent, Knights of Macabees, and Baldwin Hive, Ladies of Macabees, gave a delightful social followed by a banquet in Odd Fellows Temple on Friday night.

Quite a crowd of the members of the order, male and female, their families and invited guests were present.

The exercises of the evening were in charge of Mr. John W. Reading. The program consisted of music by Misses Bridgeford and Nelson and Master Russell Bridgeford; dialect recitation by Miss Jaquie Ellwanger; short talks by several gentlemen; an address to the order by the Lady Commander, Mrs. Dr. Baldwin, of Louisville, which was a very good one; kind and encouraging speech by Mr. T. H. Crockett, which was full of eloquence and pathos.

After the conclusion of the preliminary exercises, a dainty and bountiful repast was served in the banquet hall, which consisted of all the delicacies of the season. Every one present did full justice to the delicious viands and departed with expressions of delight at the pleasure afforded them, and with the best wishes for the continued success of this worthy fraternal order, which has done and is doing so much to make life brighter and happier for the suffering and sorrowing.

Could Not Lie On Left Side.

Dr. Miles' Heart Cure and Nerve Cured Me.

Mrs. H. R. Jobe, formerly of Birmingham, Ala., writes from Kildee, the same state, as follows:

"It is with the greatest pleasure that I recommend Dr. Miles' Nerve and Heart Cure. I only wish that I could tell every sufferer how much good they have done me. Last winter I had a severe attack of La Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I got your Heart Cure and took three bottles. I have no trouble now with my heart and can lie on my left side as well as on my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nerve. I felt better after the first few doses and two bottles of Nerve and Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was."

THE BEAUTIFUL.

In Saturday, about 2 o'clock, the first real downfall of snow of the season put in an appearance. The weather conditions for several days beforehand had been threatening such an event. Before it ceased there was about two inches on the ground. At short intervals there were other precipitations until Monday morning. The weather continued mild notwithstanding.

EVOLUTION.

You "tip" the waiter for his pains, And it's "tipping." The coin advantage for you gains, But it's "tipping." You give the porter something too, The latter gets more than is due Because of favors sought by you, And it's "tipping."

You seek a service from some man On commission. A "tip" upon another plan, Called commission. If he can "work" some little deal, Exert his power for your weal. For some per cent you'll buy his zeal.

On commission. A clerk in office takes your "tip," And it's "tipping." For this he works at faster clip, But it's "tipping." In principle it is the same As "tipping" waiters, with the same

Of beating others in life's game, But it's "tipping." You "tip" the man who makes the laws, And it's "tipping." And it's the same, but pause! This is "tipping." Your purpose now—you'll find this true.

Is just the one you had in view When giving waiters more than due; But it's "tipping." —The Brooklyn Eagle.

WEEDS

Consumption is a human weed flourishing best in weak lungs. Like other weeds it's easily destroyed while young; when old, sometimes impossible.

Strengthen the lungs as you would weak land and the weeds will disappear.

The best lung fertilizer is Scott's Emulsion. Salt pork is good too, but it is very hard to digest.

The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't.

Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be rigidly regular in your treatment you will win.

Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the treatment and that's the best treatment.

We will send you a little of the Emulsion free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

PEA RIDGE.

Mrs. Frank Stoops, of New Albany, Ind., came home to spend Thanksgiving week with her sister, Miss Edith Edge.

Miss Sarah Sudduth spent Thanksgiving Day with Miss Samantha Moore.

Mrs. Grace McClure, of Owen county, was the guest of her mother, Mrs. Lyman Suter.

Miss Kate Suter, who has been seriously ill for a long time, is slightly improved. We sincerely hope the improvement will continue.

Miss Sarah Sudduth and Miss Samantha Moore were the guests of Miss Edith Edge one evening last week.

Mr. Javan Suter and family have moved to Frankfort to reside. We are sorry to lose these pleasant and sociable young people from our neighborhood.

Mr. John Dennis and family are residing with their sister, Mrs. Lew Sudduth.

Every one was sorry to hear of Mr. John C. Dennis' house burning down, for, apart from the loss of property, everybody for miles around has pleasant memories of pleasant days spent at this hospitable home with Mr. Dennis' sociable family.

Mr. William Tracey and daughter have moved to Frankfort to reside. This friendly and sociable family will be greatly missed on the Ridge, where Mr. Tracey has lived for so many many years.

Letter from his former schoolmate, little Dyke Stoops, of Kansas, this week. He is well, the letter states, but still interested as to who is the teacher and what boys are going to the Pea Ridge school.

Mr. Boh Sudduth, who was so unfortunate as to have his house burn down, is rebuilding.

Miss Edith Edge and Mrs. Frank Stoops were the guests of their sister, Mrs. Winifred Lacey, last Saturday.

Mrs. Frank Stoops and sister, Miss Edge, called on their former schoolmate, Mrs. Mattie Clippner (nee Collins). School girl friendships are never quite forgotten.

The snowy and icy roads will prevent Mrs. Frank Stoops from seeing many of her old friends. We hope the next time she comes the weather and the roads will be better.

The roads throughout the county were much improved during the time Mr. Suter was supervisor.

Whooping cough, bad colds and cold weather have made the scholars scarce at our school. This is a pity, as our teacher is one of the best we ever had, and its so discouraging on a good teacher to have so few scholars, but the whooping cough came and whooped them out of school, quicker than a tickle switch would.

KNOW HIS TROUBLE.

Grocer Roberts Had an Advantage Over Many Frankfort People.

Here is a case of a graduate pharmacist who was able to diagnose his own symptoms and went to the right place for relief. His advice will save you big doctor's bills. The symptoms are easily recognized.

W. H. Roberts, grocer, of 330 Todd St., says: "Being in the drug business a good many years and a graduate pharmacist, my knowledge of medicine was sufficient to prove that my kidneys were not performing the work which nature intended they should, for I suffered a great deal from a persistent itching pain across the small of my back and the secretions from the kidneys were highly colored and so irregular, especially at night, that my rest was greatly disturbed. It was not until some two or three years ago that I learned about Doan's Kidney Pills and I sent to a large neighboring city and got a box. I gained so much from the use of these Pills that I pronounced them a kidney remedy of unequalled merit. My first supply was procured at J. W. Gayle's drug store and I take a dose of them once in a while as a tonic for the kidney. A number of friends of mine to whom I have recommended Doan's Kidney Pills have used them with great benefit."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doan's, and take no other.

A TIMELY SUGGESTION.

This is the season of the year when the prompt and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by all druggists.

GOOD FOR CHILDREN.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heats and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissue. Dr. Armstrong of Delia, Tex., prescribes it daily and says there is no better cough remedy made. Sold by J. W. Gayle.

DEADLY TRAGEDY.

Just before 7 o'clock, on Thursday night, Mr. Irvine Crumbaugh, bartender at the saloon of Mr. Owen Moore, corner of Broadway street and Catfish Alley, shot twice and instantly killed Mr. Dudley Williamson.

But little is known of the circumstances leading up to the killing, as there were but few witnesses, so we have been informed.

It is claimed, however, that it arose over the charge due Williamson from playing a slot machine, in which he is said to have called Crumbaugh a son of a b—h, the shooting following.

Williamson was shot through the heart as well as in the breast just above the heart.

Crumbaugh was arrested and lodged in jail. He is a son of Mr. Henry Crumbaugh, Keeper of the Colored Cemetery at Greer Hill. He is married and some twenty-eight years of age. His victim is the son of Mr. Jere Williamson, who was killed some twelve years ago, on the corner of Main and St. Clair streets, by Mr. Ambrose Polsgrove, and is a single man about twenty-five years of age. He was a noted witness in the Powers and Howard cases.

Coroner Graham took charge of the body and afterwards held an inquest, the jury returning a verdict in accordance with the facts. The following is the sad record of the Williamson family:

Jerry Williamson, father, killed by Ambrose Polsgrove at the corner of St. Clair and Main.

One son turned to death in a hotel in Jeffersonville, Indiana.

One son in Eastern Lunatic Asylum.

One son gone off and family do not know where he is. Last heard of in Indiana.

HE FOUND A CURE.

R. H. Foster, 308 S. 2d Street, Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for 21 years, have tried many doctors without relief, but I have found a cure in Herbine. I recommend it to all my friends, who are afflicted that way, and it is curing him, too." Locat Paul B. Weitzel's.

THANKS.

REV. JOHN R. MATTHEWS.
Archdeacon of Columbus, Ohio, at Ascension Episcopal Church.

Announcement has been made from the pulpit and through printed circulars that the Rev. John R. Matthews, Master of Arts of Oxford University, and recently installed Archdeacon of Columbus, Ohio, will conduct an eight-days Mission at Ascension Episcopal Church. The Mission will begin Sunday morning, when Dean Baker P. Lee, of Lexington, preaches the sermon primarily, but not exclusively, to men. The service in the evening of Sunday will be conducted by the rector of the parish. Dr. Matthews will commence his part of the work on Monday afternoon at 3 o'clock, which will be followed by a mission service at 7:30 in the evening, and in like manner each day to the end of the week.

Mr. Matthews is well known as a Missioner. Besides being a powerful and winsome preacher, he has a wonderful and rare mastery over the English Bible. And it has been said that very few, even among older and more experienced students of the Bible, have the gift of making it plain to others which this young preacher has.

We think we can promise the people of Frankfort, if they will go to hear Dr. Matthews, a delightful and wholesome feast upon which their minds and their hearts may feed and be refreshed for many days to come.

To all denominations of Christians, as well as to all who are not members of any church, a cordial invitation, a hearty welcome—more than that—an earnest entreaty is extended to come and take part in this worship of the God and Father of us all.

ELITA PROCTOR OTIS IN "HEDDA GABLER."

STORY OF "HEDDA GABLER."

Plot of the Drama in Which Miss Elita Proctor Otis Will Appear Here.

Here is a brief outline of Ibsen's "Hedda Gabler," which Miss Elita Proctor Otis will present for the first time on Tuesday evening, Dec. 8. The rising curtain shows the arrival from a honeymoon tour of Professor George Tesman and Mrs. Tesman, nee Hedda Gabler. Mrs. Tesman is a beautiful young woman of twenty-nine who has married the Professor on condition that he install her in an expensive villa and surround her with the best society. The young woman's first words are of boredom with these surroundings. The Professor's maiden aunt is especially obnoxious to Hedda, though the good soul is ever intent to do her kindness. But the Professor's insufferable chatter, his microscopic and pettifogging industry, are what vex her most.

A vista of the joy she might have won reveals itself to Hedda when her former schoolmate, Mrs. Elvsted, and her former sweetheart, Ernest Lovborg, appear on the scene. Mrs. Elvsted, by her idealism and innocence, has taken captive the man of genius. She has reclaimed him from a dissolute life and launched him as a writer on great achievement. Hedda watches the loves of the couple with suppressed fury. She plays with Lovborg as a cat with a mouse. Admitting to Lovborg that she would have become his mistress in the long ago if she had had sufficient immoral courage, she induces the poor fellow to return to his cups despite the frantic protestations of Mrs. Elvsted.

That false step of Lovborg's is the key to all the subsequent tragedy. Crazed by liquor, he gets into a brawl with the police, is locked up, and drops in the diten the MSS. of his epoch-making book on the history of civilization. Tesman brings home the book to Hedda. Lovborg's sufferings inspire her only to new fury. She hands the returned drunkard one of the pistols with which she had once defended her honor against him and tells the unhappy man to go out and kill himself "beautifully." When he has gone, she seizes the MSS., and taking it to the hearth consigns the leaves one by one to the flames, crying as she does so, "I am burning their child-burning Lovborg and then's child!"

In the fourth act the death of Lovborg is reported. He has perished bravely instead of beautifully, shot in the bowels by his own hand after an orgy in a brothel. Mrs. Elvsted is prostrated by the news.

Professor Tesman comes to her assistance. She has found the notes on which Lovborg's book was written and they propose to devote their lives to his memory by reconstructing the precious lost volume. Hedda watches these proceedings with cynical rage. Assessor Brack, a friend of the family, taxes her with being privy to Lovborg's death. She defies his power to injure her. The polite villain, with a mocking smile, replies he will use his power over her only in a merciful and generous manner. She threatens to kill herself. "People only do such things in novels," says the unmovable Brack. Hedda asks to be excused. After she has retired into another sitting-room, the piano goes crazy with wild plunging dance strains. The other three people are amazed by the freak. The dance music stops. A few seconds later a pistol shot rings out and when the others rush into the room they discover Hedda dead on the floor.

"People do such things in real life," are the words uttered by Brack as the curtain descends.

AGED AND WELL-KNOWN LADY PASSES AWAY.

At 3:30 o'clock on yesterday morning, Mrs. Mary Long Heffner, one of the oldest and best known ladies of this city, passed away at her home on the corner of Madison and Broadway streets, aged 80 years.

Mrs. Heffner was born and reared in this city, being a sister of the late Messrs. Richard and Samuel M. Long. In early girlhood she was married to Mr. Nelson Heffner, and they reared a large family of children.

She was a devout member of the Methodist Church. She was a quiet, modest and retiring woman, and was loved most by those who knew her best. She was a schoolmate of the mother of the editor of this paper, and their affection and regard for each other was only broken by the death of our mother, some three years ago.

Mrs. Heffner leaves one son (Mr. Thos. B. Heffner, of this city), and three daughters (Mrs. Batsheba Case and Mrs. Dora Ferguson, of this city, and Mrs. Frank Shanks, of Louisville), to mourn her death. The funeral services will be conducted by Rev. C. J. Nugent, of the Methodist Church, to-morrow, from the family residence.

HOW TO PREVENT CROUP.

It will be good news to the mothers of small children to learn that croup can be prevented. The first sign of croup is hoarseness. A day or two before the attack the child becomes hoarse. This is soon followed by a peculiar rough cough. In this way all danger and anxiety may be avoided. This remedy is used by many thousands of mothers and has never been known to fail. SCORED A SUCCESS.

What was a large audience, taking the season of the year and the warmth of the weather into consideration, assembled at the Grand Opera House last night and witnessed for the first time in Norristown, a production of "That Imprudent Young Couple," with Miss Mary Sargent and Mr. Harry English in the leading roles made famous by Maud Adams and John Drew, at the Empire Theatre, New York.

Of the play itself, written by Henry Guy Carlton, little need be said, as its reputation has already been well established. Let it suffice to say that it is clean, clear cut fun from beginning to end, and that the lines were cleverly interpreted by each member of the company, showing that they had profited well by the thorough rehearsals given them by the author.

As "Marion," Miss Sargent was "It" to use an expressive phrase of the street. It would have been impossible for any one to have had a better conception of the role and to have acted up to that conception better than did Miss Sargent last night.

Her impersonation of a young and slightly giddy girl, who has just

been married was holding up the mirror to nature herself, as everyone who has seen one of the fair creatures in real life and saw Miss Sargent last night can testify.

In addition to the advantage gained by thorough training in the histrionic art, Miss Sargent possesses natural qualifications that will adapt her to such a part. She is young, pretty, vivacious, with a beautiful voice, resonant as a silver-toned bell, and with an articulation that is almost perfect. In her movements she is a personification of grace.

Taken all in all, in the possession of Miss Sargent, Manager Johnson has a gem, and it would be no surprise to the writer if in a short time the name of Mary Sargent should be emblazoned in the firmament of theatrical stars of the first magnitude.

As "John Annesley," "Marion's" husband, Mr. Harry English was very acceptable, his work showing careful training and an intelligent conception of his part.

The costumes of the women members of the cast were tasteful, beautiful and models of the modiste's art.

The support was excellent, each member of the caste being well adapted to his and her part.—Norristown Times.

THAT THROBBING HEAD-ACHE.

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches. They make pure blood and build up your health. Only 25 cents, money back if not cured. Sold by all druggists.

DOING THE RIGHT THING.

The trouble begins with a tickling in the throat and a nagging little cough. Soreness in the chest follows and the patient wonders if he is going to have an all winter cold. Probably, if he does the wrong thing or nothing. Certainly not if he uses Perry Davis' Pain-Killer, the staunch old remedy that cures a cold in twenty-four hours. There is but one Pain-Killer, Perry Davis'.
